GENERAL CONDITIONS

1. The SE Cambridgeshire County Championships shall be competed for annually and are licensed by Swim England at level 2. The Championships will be open to any affiliated member of a Cambridgeshire club who is a club compete member prior to the entry closing date of the competition, subject to any standard the County Executive may impose.
2. This meet will be swum under Swim England Laws and Regulations, Technical Rules and the Swim England Open Meet Licensing Criteria. Any swimmer failing to comply with any of the conditions shall not be allowed to compete in the Championships.
3. Protests shall be made and dealt with as detailed in Swim England Laws and Regulations.
4. The promoter is the county executive, and the nominated representative is Daniel Fazakerley contactable at meets@swimcambs.org.
5. All participants must observe the safety precautions in operation at the venues.
6. Swim England Cambridgeshire will not be responsible for any loss or damage occurring during this meet.

7. Entries

7.1. All entry times must be equal to or faster than the published qualifying times (QT) or, for 50m and 100m events, the consideration times (CT). Entry times will be taken from Aquatics GB Rankings and should be short course times achieved on or before the closing date and shall have been achieved from 1 January 2026. Long course times converted using Sportsystems will be accepted. The closing date will be Sunday 3rd January 2027.
7.2. Swimmers who have achieved the qualifying time shall be accepted for that event.
7.3. For 50m and 100m events, the top 10 times in each age group (including qualifying times) will be accepted. Remaining spaces will then be filled from consideration time entries on the basis of the fastest times submitted across all categories and age groups.
7.4. A swimmer must be a member of the club in whose name they are entered and must have been registered as such with Swim England prior to the entry closing date of the competition. A swimmer entered in the name of one club in the individual events may not compete in the name of another club in the team events.
7.5. No swimmer competing in a like championship of any other English county in the same year is eligible to compete in the Championships.
7.6. Clubs are allowed to enter maximum of 2 teams for the team events.
7.7. Entries shall be made using the online entry system, which requires payment in full before entries can be submitted. This will be regarded as full acceptance and agreement to all conditions within this entry pack. Late entries will be rejected.
7.8. Following the launch of the Swim England Transgender and Non-Binary Competition Policy on 1 September 2023, the Female category is restricted to birth sex females in accordance with Swim England's Transgender and Non-Binary Competition Policy. By entering the Female category, a swimmer confirms that their birth sex is female. The category Male is referenced as Open/Male.
7.9. Acknowledgement and acceptance of a correctly submitted entry shall be by publishing a received entries listing on the Swim England Cambridgeshire website at www.swimcambs.org. Clubs will have 7 days from the date that entries are posted on the website to check the received entries and report errors. After which, a final accepted entries list will be published, and no further corrections allowed.
7.10. Dependent on the number of entries, the promoter reserves the right to reject consideration time entries to achieve what is believed to be the best compromise between the events. If necessary to reject entries, the slowest entries will be rejected first.
7.11. The County Championships and the *SE Cambridgeshire County Development Championships* (27th & 28th February 2027) are intended to give each swimmer one county competition per event. Swimmers who have achieved the qualifying time for an event are not eligible to enter that event at the County Development Championships. Swimmers entering an event with a consideration time may also enter that event at the County Development Championships; however, if they are accepted for that event at these Championships, their County Development Championships entry for that event will be rejected (County Development Championships condition 7.6).
7.12. The Data Protection Act 2018 requires us to provide you with certain information and to obtain your consent before processing data about you. Processing includes obtaining, recording, holding, disclosing, destruction or retaining information. We require certain personal data for the purposes of making entries to the competition, managing the meet and the submission of results to Rankings. The information provided by you will be processed in accordance with the Data Protection Act 2018. Consent to process such personal data is deemed to have been given by the submission of the entry. Where the personal data of competitors, officials and coaches/team managers has been passed to us by a third party such as a club rather than by the individuals themselves, we rely on the third party to ensure that consent has been obtained.

9.6 Swimmers must only bring necessary equipment on to poolside. Additional equipment must be stored in the changing room lockers. The promoter reserves the right to remove any equipment or bags that do not adhere to this condition.

11.2. Events with finals will have the last three heats cyclically seeded. Events that are timed finals only will be spearhead seeded.
11.3. Team declaration forms must be submitted to the recorder no later than the start of the relevant session's warm-up.

12.2. Finals – The names of finalists and reserves will be announced and published. Withdrawals must be made to the recorder within 15 minutes of the announcement. At the end of this period, reserves may ask the recorder whether they are required for the final or can be stood down.
12.3. Unless notice of withdrawal has been given to the recorders within 15 minutes of the publication of the heat results, all finalists shall report to the Clerk of the Course. Withdrawals after the 15-minute deadline may only be made on medical grounds. A charge of £10 per event will be incurred if this condition is not met.
12.4. All events – Where a withdrawal is made after the deadlines on medical grounds, the swimmer may not compete for the rest of the day.

13.4. All medals are to be collected before the end of the event on the 7th February 2027.
13.5. For Team Events, scoring will depend on the number of teams taking part. For example, if there are eight teams, the scoring will be 8 points to 1 point; for seven teams 7 points to 1 etc. Second and subsequent teams from the same club will not score and will be disregarded when allocating points
13.6. The County Shield for Top Club will be awarded to the club that finishes top of the combined medals table following the completion of the individual and team events at the end of session 10. Clubs are ranked according to the number of points their swimmers and teams have accumulated. Individual swims will be scored as in **13.3** (3 points for a gold medal, 2 for a silver and 1 for a bronze) and Team swims scored as in **13.5**. If teams are tied on points, they will be separated based on the number of gold medals won at the championships. In the event of a tie for the number of points and gold medals won, the tied club with the highest number of silver medals shall be declared the winner. In the event of a tie for points, gold and silver medals, the trophy shall be awarded to the tied club with highest number of bronze medals. If two or more clubs tie for the number of points, gold, silver and bronze medals, the award shall be shared.

14. Photography and Safeguarding

14.1. Swim England Guidance for ratio Coach and Team Managers to number of swimmers competing must be followed at all times.
14.2. All swimmers must be under the supervision of the club Coach or a designated Team Manager at all times during the warm-up, competition, and in the vicinity of the pool.
14.3. In order to ensure the safety of competitors, only leisure centre staff, swimmers and accredited coaches, team managers, officials and helpers will be allowed access to the changing village. Parents must not enter the changing village and will be asked to leave if they do so.
14.4. To keep the pool deck area clear and to assist with ventilation, swimmers are requested to use the lockers provided in the changing village for clothes, valuables and other personal belongings. Swim England Cambridgeshire accepts no responsibility for loss of any personal belongings or equipment.
14.5. No cameras, video or digital capturing devices (including mobile phones) may be used in the changing area. **Use of any mobile device in the changing rooms is absolutely forbidden**. This policy will be vigorously enforced and any person found to be contravening this policy will be asked to leave the championships without a refund.
14.6. Swimmers, spectators and coaches are requested to follow the Swim England guidelines for photography and use of photographs on social media. The Swim England Safeguarding Policy and Procedures, Wavepower: Safeguarding for Swim England Clubs (swimming.org), provides guidance on the use of social networking and guidance on photography.
14.7. For the avoidance of doubt the photography guidance applies to all images and recordings taken on any camera, mobile phone or other recording device. Qualification for this event will be the eight fastest swimmers overall in the 100m Individual Medley events. The order of start for 2027 is Female first, thereafter alternating on an annual basis, and both events will have a formal start for the first round. The competition shall consist of a series of knockout rounds with the slowest swimmer in each round being eliminated. In the event of a dead heat between the two slowest swimmers no elimination is made in that round. The final round shall be the last two remaining swimmers and the winner of the event shall be the fastest swimmer of the final round. The stroke to be used in the first round shall be determined by the promoter drawing lots. 2027 Cambridgeshire County Championships Qualifying Times – Open/Male

ALL ENTRIES MUST INCLUDE A TIME **EQUAL TO OR FASTER** THAN THE QUALIFYING TIME (QT), OR THE CONSIDERATION TIME (CT) WHERE AVAILABLE. AGE AS AT Midnight 31st December 2027

Consideration times are available for 50m and 100m events only. Swimmers with a QT will be accepted. Swimmers with a CT will be considered for acceptance based on spaces left in the event. These qualifying times align with the Cambridgeshire County Development Championships, which is for swimmers *slower* than the QT. Swimmers who enter an event here with a CT may also enter it at the County Development Championships, but *if accepted here*, their County Development Championships entry for that event may be rejected.
